# Thrive 2055: Quad Cities Long Range Transportation Plan

March 25, 2026

Representing comprehensive, cooperative, and continuing  
transportation planning for the Davenport, Iowa-Illinois Urbanized Area (Quad Cities) by:

Bi-State Regional Commission

Illinois Department of Transportation

Iowa Department of Transportation

and

Local Units of Government

with the assistance of:

U. S. DEPARTMENT OF TRANSPORTATION

(Federal Highway Administration and

Federal Transit Administration)

STATE OF ILLINOIS

STATE OF IOWA

The preparation of this report was financed in part through federal funds provided by the U.S. Department of Transportation, Federal Transit Administration and Federal Highway Administration. The findings, opinions, and conclusions expressed in this report are not necessarily those of these agencies. In accordance with Federal Law and policy, Bi-State Regional Commission is an equal opportunity employer and provider, and is prohibited from discriminating on the basis of race, color, national origin, age, disability, religion, sex, and familial status. (Not all prohibited bases apply to all programs.)

# Abstract

TITLE: *Thrive 2055: Quad Cities Long Range Transportation Plan*

AUTHOR: Bi-State Regional Commission

SUBJECT: A long range vision and technical summary of transportation needs in the Quad Cities area to the year 2055.

ADOPTION DATE: March 25, 2026

PLANNING AGENCY: Bi-State Regional Commission (Metropolitan Planning Organization-MPO) and Transportation Management Area (TMA) > 200,000 Population

SOURCE OF COPIES: Bi-State Regional Commission  
1504 Third Avenue  
Rock Island, Illinois 61201

ABSTRACT: This is the *Thrive 2055: Quad Cities Long Range Transportation Plan* for the Davenport, Iowa-Illinois Urbanized Area, known as the Quad Cities. This effort is coordinated by the Bi-State Regional Commission and administered by local elected officials, transit representatives, planners, engineers, state departments of transportation, the Federal Highway Administration and Federal Transit Administration. Guidance, technical input and policy decisions for the plan were provided by the Quad Cities MPO Transportation Policy Committee, Transportation Technical Committee and the public.
